

Dear Friends and Neighbors:

As we approach the holiday season it is important to remember that it isn't only a time for celebration, but also a time for neighbors to come together to watch out for each other. Simple things such as locking your cars, additional outside lighting and watching for suspicious activity can help prevent crime. If you are going to be out of town, ask a trusted neighbor to collect and keep for you any packages that might be delivered while you are gone. When walking at night wearing reflective clothing or lights and slowing down and paying special attention when driving in the neighborhood can prevent tragedy. Maintaining your property, not littering and cleaning up after your pets is important. I believe that the definition of a great neighborhood is a community where people respect and look out for one another and that Carriage Hills is that kind of neighborhood.

Another sign of a great neighborhood is one in which the residences participate in their own self-governance. This Sunday, December 7th at 3pm we will have our annual HOA meeting at the sign on Carriage Hills Drive down from the Blackstone Camp Road entrance. If possible, please plan on attending this meeting or provide a proxy form that will count towards a quorum necessary to conduct business. This can be emailed to the Carriage Hills account (carriagehills.mail@gmail.com) before 2pm on Sunday. The current Board will be presenting a proposed budget including dues recommendations. This is also the time we elect officers for the next year and discuss needs and opportunities. If you haven't thought about it, please consider serving on the Board as an officer or member at large. The actual time commitments are minimal and there is always room for new thoughts and ideas.

I hope to see you Sunday!

Fred Russell
